HOKE SMITH WINS

IN THE GEORGIA DEMOCRATIC
PRIMARIES HE SECURES UN-
PRECEDENTED VOTE.

Atlanta, Ga., Aug. 22.—The
State Democratic primaries today
resulted in a victory for Hoke
Smith, candidate for Governor, un-
precedented in the size of his ma-
jority.

Of the 145 counties in the State
he has carried probably 110. By
the returns available at 11 o'clock
to-night of the other candidates.
Clark Howell, carried six counties;
J. H. Estelle of Savannah two, R.
B. Russell eight and James M.
Smith three, leaving sixteen to
hear from. This result will give
Hoke Smith 294 votes in the State
convention of a total of 366.

Mr. Howell's paper, the Consti-
tution, in its first edition concedes
more than 100 counties to Hoke
Smith and says his nomination for
Governor on the first ballot in the
convention is practically assured.

All Negro Troops Ordered Out of Texas

Washington, Aug. 21.—The ne-
gro Federal troops have been or-
dered out of Texas. Instead of
going to Fort Ringgold, the bat-
talion of the Twenty-fifth infantry
has been ordered to Fort Reno,
Oklahoma. This action, in accord-
ance with the decision of the pre-
sident, also is recommended by
General McCaskey, commanding
the department of Texas. By di-
rection of the president, General J.
Franklin Bell, chief of staff, will
make a thorough investigation of
the Brownsville affair and report
to the president.

Fort Brown is to be abandoned.
The company of the Twenty-sixth
infantry, which was sent today,
will not stay very long. Its duty
is to pack up all the movable gov-
ernment property which will be
shipped to other posts when the
troops will be ordered away. The
investigation now under way will
be continued by Major Blocksome
and the war department authorities
state that every effort will be made
to find out the facts and fix the
responsibility for the disturbance
and that any soldier found guilty
will be punished.

Half the City Destroyed.

New York, Aug. 22.—Wessell,
Duval & Co. today received from
their branch in Valparaiso the fol-
lowing cablegram which had been
delayed in transmission: "About
one-half of the city of Valparaiso
is destroyed and the balance dam-
aged. Our offices are apparently
quite safe. More than 2,000 killed
or injured, populace camping out.
Our steamers safe.

A cable despatch received from
Valparaiso by the way of Lima,
Peru, to W. R. Grace & Co., of
this city, today, read as follows:
"The city (Valparaiso) is almost
annihilated. Fires are still raging.

BASE BALL.

A series of four games were
played between Jefferson and
Winnsboro the past week, which
resulted in three games for Jeffer-
son. They play today, Friday;
Jefferson vs. Daingerfield.

There must be some unusual at-
traction at Hughes Springs for one
of our young business men as he
talks as if he would like to
move up there.

TO FORT RENO.

Negro Troops Will Leave Texas, and
Fort to Be Abandoned.

Washington, Aug. 22.—The negro
Federal troops have been ordered out
of Texas. Instead of going to Fort
Ringgold, which is about 100 miles up
the Rio Grande from Fort Brown, the
battalion of the Twenty-fifth infantry
has been ordered to Fort Reno,
Okla. This action is in accordance
with direction of the president, and
also is recommended by General Mc-
Caskey, commanding the department
of Texas. By direction of the president
General J. Franklin Bell, chief of
staff, will make a thorough investiga-
tion of the whole Brownsville affair
and report to the president.

Fort Brown is to be abandoned. The
company of the Twenty-sixth infantry,
which was sent there, will not stay
very long. Its duty is to pack up all
the movable government property,
which will be shipped to other posts,
when the troops will be ordered away.
The investigation now under way
will be continued by Major Blocksome,
and the war department authorities
state that every effort will be made
to find out the facts and fix the respon-
sibility for the disturbance, and that
any soldiers found guilty will be pun-
ished.

GUTON'S RASH DEED.

Drinks Poison in Presence of His Wife
and Expires.

Houston, Aug. 22.—Pierce Guton,
aged sixty-seven years, killed himself
by taking poison in the presence of his
wife at his home. He went home
and after telling his wife that he was
going away from town, handed her for
a drink of water. She handed it to
him and he immediately emptied into
it the contents of a small bottle. He
drank the whole and told her it was
poison. She immediately sent for a
doctor, but the unfortunate man died
within an hour.

He had been married before, and so
had she. Her children of the former
husband were with her; but his chil-
dren, except, one are living in Fort
Worth.

SEVEN KILLED.

Accident Was Brought About During
Blasting in Quarry.

Laredo, Aug. 22.—News has just
reached here from Salome Botello,
Mexico, that seven laborers were killed
at that place in a big rock quarry
being operated by the National rail-
road of Mexico. Antonio Perez, the
foreman of the quarry, and six labor-
ers were killed.

Perez was blasting, and in some un-
known manner an extra heavy charge
of powder exploded while the seven
men were in the quarry, and the re-
sult was that their bodies were buried
underneath a heap of large stone.

Freight Blockade Ended.

San Francisco, Aug. 22.—The freight
blockade at Oakland has ended and
Southern Pacific officials removed em-
bargo on five or six classes of bulky
freight, which has been in existence
for several weeks. Freight shipments
are coming to San Francisco and
other state points are moving freely,
showing jobbers are doing an excel-
lent trade with interior customers.
The Southern Pacific and Santa Fe
are handling jointly out of the city
about 300 cars of freight daily.

THREE THOUSAND.

Loss of Life at Valparaiso Close to
Those Figures.

Valparaiso, Aug. 22.—Loss of life
here by recent earthquake was close
to 2,000, while property loss is fully
\$100,000,000.

With the first terrible shock of the
earthquake buildings collapsed, their
walls falling with tremendous noise.
The shock was followed almost im-
mediately by a fierce storm, the wind
prostrating walls that had been weak-
ened by the earthquake, and these
broke trolley wires, which flashed in-
cessantly. The second shock was
even heavier than the first.

Five minutes afterward fires start-
ed in every direction, and immedi-
ately afterward the whole town was il-
luminated by gigantic flames.

Mrs. O. D. Robinson, 43 St. Felix St.,
Brooklyn, N. Y., writes:

"I have taken Peruna and it did me
more good than all my two years'
treatment by special physicians.
"I can really say that I feel like
another person. No more swollen feet
and limbs. No more bloating of the
abdomen. No more shortness of breath.
No more stiff and sore joints. You
have no idea what your treatment has
done for me. It has prolonged my life
and made a new woman of me.

"O, such a blessing I have received
through your kindness, Doctor, and
the assistance of the medicine which
you so kindly prescribed.

"I am able to work since I began your
treatment, but before I was not able to
help myself, much less do any work.
All praise is due to Dr. Hartman and
his treatment."
